

REMARKS

Applicant submits herewith two Replacement Sheets to replace each of the two original sheets of drawing. The first Replacement Sheet corrects Fig. 1 to delete reference numeral "50" and the second Replacement Sheet corrects Fig. 2 to change reference letter "L" to "L1".

Amended Claims 5-9, 11 and 12 and 14-16 are presented herein. Original Claims 1-4, 10, 13 and 17-22 are cancelled herein.

The Examiner has indicated Claims 14-16 to be allowable if rewritten in independent form to include the limitations of the base claim (i.e., Claim 4) and any intervening claim (i.e., Claim 13). Applicant has amended Claim 14 to be in independent form by incorporating therein the limitations of Claims 4 and 13. As amended, Claims 14-16 are believed to be in condition for allowance.

Applicant has also amended Claims 5-9, 11 and 12 to depend directly or indirectly from amended independent Claim 14. In addition, Claims 7-9 have been amended to overcome the formal deficiencies noted by the Examiner with respect thereto. As amended and as now depending directly or indirectly from Claim 14 which the Examiner has deemed to be allowable, Claims 5-9, 11 and 12 are also believed to be in condition for allowance.

Original Claims 1-4, 10, 13 and 17-22 are cancelled herein obviating the need for a discussion of the Examiner's formal and substantive rejections directed to them.

Applicant submits herewith a Supplemental Information Disclosure Statement and accompanying Information Disclosure Statement by Applicant (PTO Form 1449) making of record the U.S. patent documents cited in the Office Action mailed August 22, 2005 in copending divisional application Serial No. 11/176,983, filed July 8, 2005.

Formal notice of allowance by the Examiner of amended Claims 5-9, 11 and 12 and 14-16 are respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Peter G. Dilworth". The signature is fluid and cursive, with the first name "Peter" being more prominent.
